## COMPANY OVERVIEW

Comstock Strategic Advantage provides elite-level strategic solutions, leadership development, and operational auditing for organizations operating in high-stakes environments. Founded by a decorated U.S. Navy Veteran with 11+ years of experience in the intelligence community, we specialize in transforming complex data into "Decision Advantage" from C-suite executives, project leaders, small business owners, and start-ups. We bridge the gap between ambitious corporate goals and ground-level execution through proven methodologies honed at the Pentagon and the Defense Intelligence Agency.

## CORE COMPETENCIES

### 1. Strategic Intelligence & Risk Mitigation

- **Operational Intelligence:** Identifying market "indications and warnings" to safeguard assets and investments.
- **Crisis Management:** Developing contingency plans for emergency response and business continuity.
- **Data Strategy:** Streamlining the collection-to-analysis pipeline to ensure leaders act on the most accurate information available.

### 2. High-Performance Leadership & Training

- **Team Building:** Utilizing a proprietary mentorship framework that achieved 100% personnel retention in high-stress environments.
- **Leadership Development:** Training middle and senior management to increase promotion rates and operational output.
- **Talent Retention:** Implementing career counseling and professional development systems that exceed industry standards.

### 3. Operational Excellence & SOP Engineering

- **Workflow Optimization:** Modernizing and digitizing legacy processes to increase speed-to-market and reduce overhead.
- **SOP Development:** Writing and implementing robust Standard Operating Procedures that ensure interoperability across global teams.

## DIFFERENTIATORS

- **Proven Performance:** Experience providing direct intelligence support to the **Office of the President of the United States** and the **Joint Chiefs of Staff**.
- **Quantifiable Success:** Achieved a **78% higher-than-average promotion rate** for subordinates using proprietary career development strategies.
- **High-Volume Execution:** Managed the successful completion of over **25,000 intelligence tasks** and **10,000 finished products**.
- **Global Perspective:** Led multi-agency, multi-national teams across five geographic locations, specializing in NATO interoperability and partner-nation coordination.

## PAST PERFORMANCE (Highlights)

- **Defense Intelligence Agency (DIA):** Directed collection requirements for the Department of Defense, managing 11 critical databases and digitizing intelligence assets for global use.
- **Office of the Secretary of Defense:** Responded to 11 official RFIs and collaborated on 45 executive-level intelligence products.
- **USEUCOM/USAFRICOM:** Recognized as **Intelligence Analyst of the Quarter** for managing high-level intelligence exchanges with allied partners and NATO delegations.

## GENERAL INFORMATION

- **Years of Experience:** 11+
- **Primary Focus:** Strategic Consulting, Leadership Training, Operational Audits.
- **Clearance:** TS/SCI (Active Status)
- **Education:** B.A. History, American Military University (2024)
